Hello E11 Summer families!

Thank you so much for registering your child in our unique, creative program here at the Manitou Art Center in beautiful Manitou Springs. We are looking forward to working with your children, providing them with the resources and guidance to freely create within a safe, nurturing environment.

The children will be able to freely choose from repurposing/upcycling at the glue gun workstation, painting/printing individually or on large group projects, sewing, engaging in dramatic play in our house center or making props for their play, building temporary structures in our block/construction area, drawing, woodworking and then taking a break in our reading corner. We aim to create a calm, working studio that caters to the needs of each child with developmentally appropriate expectations. Our Summer sessions will be led by [Maria & Alain Navaratne and Dallo Fall](#)

Here is a list of items that your child/ren will need to bring/wear to e11 (please put your child's name on all their belongings):

1. Filled water bottle
2. Sun lotion (please apply thoroughly at the start of the day)
3. Sack lunch and snacks (no peanut products please)
4. Sun hat
5. Water shoes, crocs or rainboots for playing in the creek (We occasionally ride the [Manitou Springs FREE shuttle bus](#) just along from e11 and disembark at different places along the river in Manitou - river conditions permitting)
6. No toys from home please
7. Complete change of clothes & a small towel for wet feet
8. Wear non-precious clothing (we get very wet, can get paint and/or glue on our clothes!)
